Career Objective

Motivated and detail-oriented **Bachelor of Computer Applications (BCA)** graduate with hands-on experience in **Django development** and currently expanding my skills in **.NET** and **React**. Passionate about combining backend functionality with practical, user-focused solutions. Seeking an opportunity to contribute my **technical expertise** and problem-solving skills to a forward-thinking company.

Education

Bachelor in Computer Application (BCA)

Hetauda City College, Hetauda | 2019 - 2025

Higher Secondary Education (+2, Science – Major Math)

Makawanpur Multiple College, Hetauda | 2018

School Leaving Certificate (SLC)

V.S Niketan Secondary School, NB | 2015

Technical Skills

- **Frontend:** HTML, CSS, JavaScript, React
 - **Backend:** Python Django, PHP, .NET
 - **Databases:** PostgreSQL, MySQL
 - **Version Control:** Git, GitHub
 - **Other Tools:** Visual Studio Code, Visual Studio 2022, Postman
-

Work Experience

Backend Developer Intern

Truenary Solution | **Dec 2023 - Feb 2024 (2.5 months)**

- Developed backend functionalities for the **Autobooking platform** using **Python Django**.
- Designed and implemented **REST APIs** using POST and GET methods.

- Integrated **query parameters** for ride filtering and pagination.
- Created and managed **driver and vehicle profiles** for the platform.
- Developed an **interactive vehicle management system** for seamless driver-vehicle association.
- Enhanced **user experience** by implementing **pagination and filtering** features.

.NET & React Intern

Icon Soft | **Jan 2025 - Present**

- Working with **.NET** for backend development and **React** for frontend development.
 - Assisting in building interactive, responsive web applications following the MVC architecture, implementing both front-end and back-end components, and integrating APIs.
 - Collaborating with the team on code development, testing, and debugging.
 - Gaining hands-on experience in building scalable applications and improving performance.
-

College Projects

1. Attendance Management System

- Developed a web-based attendance system for schools and colleges.
- Automated attendance tracking to **eliminate paperwork and reduce errors**.
- **Technologies Used:** HTML, CSS, JavaScript, PHP, MySQL

2. Garbage Management System

- Built a system to optimize waste collection and engage citizens.
 - Designed interactive **customer tools and route optimization** features.
 - **Technologies Used:** HTML, CSS, JavaScript, PHP, MySQL
-

Certifications & Training

- **Six-month Diploma in Computer Training**
 - **Basic Website Designing Course**
-

Personal Details

- **Date of Birth:** 10th Sep 1999
 - **Gender:** Female
 - **Languages:** English, Nepali, Hindi
 - **Address:** Hetauda-8, Makawanpur
-
